Dear Parents/Carers,

To further support your child's/children's learning at home, we have included some further links to lessons that you and they will find incredibly useful.

Last week, you received information regarding daily phonics lessons available online. These lessons are continuing and we highly recommend you participate in these as before. Go to:

Alongside this, you are also able to access free Oxford Owl resources. They are providing numerous free e-books, which link and support our RWI programme for phonics. Children can also access a range of games for a range of subjects, as well as further outdoor learning ideas. Go to: www.oxfordowl.co.uk

White Rose Maths Hub are providing all children with free home learning lessons and resources which you can access daily on their website: watch the videos and then try the questions. These are available for Year 1 and Year 2 children and we highly recommended you visiting the website and participating in the lessons. Go to: www.whiterosemaths.com/homelearning

Thank you again for your support with regards to this. We hope you are all staying safe and looking after each other during these unusual times. We are really looking forward to seeing you all again very soon!

Kind regards

Miss Whitehead
