30 March 2020

Dear Parents/Carers,

To further support your child's/children's learning at home, we are including links to key, educational websites of lessons that you and they will find incredibly useful.

www.oxfordowl.co.uk

You are able to access Oxford Owl resources for free. Oxford Owl allows children access to a range of games for different subjects, as well as outdoor learning ideas.

www.whiterosemaths.com/homelearning

White Rose Maths Hub are providing all children with free home learning lessons and resources which you can access daily on their website: watch the videos and then try the questions. These are available for all KS2 children and we highly recommended you visiting the website and participating in the lessons.

Thank you again for your support with regards to this. We hope you are all staying safe and looking after each other during these unusual times. We are really looking forward to seeing you all again very soon!

Kind regards

Miss Whitehead
