

## Nursery Home Learning Project – week beginning 8/6/2020

### The Very Hungry Caterpillar

Below are some ideas that you could do/make about The Very Hungry Caterpillar for our home learning project. Please either email your work to [admin@halfpenny.patrust.org.uk](mailto:admin@halfpenny.patrust.org.uk) or drop it into school so that we can see it.

Watch the story at <https://www.youtube.com/watch?v=75NQK-Sm1YY> or if you have your own copy of the book, you can read this with an adult.

#### Literacy

- Can you find things that begin with the letter 'c'?
- Write your name ~ Make a caterpillar using circles of paper. Write one letter of your name in each circle. (Ask an adult to help you).
- Can you draw a butterfly and copy the letter shapes to write 'butterfly' or other words/sentences.
- Can you retell the story to a grown up?
- After reading the story: What fruit did he eat on Wednesday? How many did he eat? Why do you think he had stomach ache? What happened to him while he was in the cocoon?

#### Mathematics

- Can you count how much fruit the Hungry Caterpillar eats on each day?
- Can you count and name the different fruits in your house.
- Can you sing the Days of the Week song? <https://www.youtube.com/watch?v=spi77By9-iA>
- Use your fingers to paint the sections of the caterpillar's body. How many body parts does he have? Is he a long caterpillar? Can you make caterpillars of different lengths? Which caterpillar is the longest/shortest?
- If you have some playdough or string, could you make a caterpillar? Could you make a caterpillar that is longer or shorter?

#### Other Activities

- Can you make your own picture/model of a caterpillar or butterfly? You can use different materials such as boxes, bottle tops, paper plates, paper, paints, Lego, Duplo or anything else you can think of.
- Make a fruit salad or smoothie using the fruits that The Very Hungry Caterpillar eats.
- Could you find some caterpillars or butterflies in your garden? Maybe you could take a photograph or draw what you find!
- Can you move like a caterpillar? Can you move like a butterfly? Look on YouTube and find, 'Learn to Dance: Butterfly wings' [https://www.youtube.com/watch?v=Lkza\\_tRINRE](https://www.youtube.com/watch?v=Lkza_tRINRE).
