

Nursery Home Learning Project – week beginning 22/6/2020

What the Ladybird Heard at the Seaside

Below are some ideas that you could do/make about What the Ladybird Heard at the Seaside for our home learning project. Please either email your work to admin@halfpenny.patrust.org.uk or drop it into school so that we can see it. Watch the story at <https://www.youtube.com/watch?v=PvguZ1YvKLw> or if you have your own copy of the book, you can read this with an adult.

Literacy

- Can you practice writing your name in the sand or with water and a brush on the path?
- Can you find the rhyming words in the story and then think of any other words that can rhyme?
- Can you draw the mermaid and copy the letter sounds to write 'mermaid'?
- Can you retell the story?
- Could you draw a picture about the story and write the words under the characters? You can write over the letter shapes or copy under an adults writing.

Mathematics

- Can you count how many animals are in the story?
- Can you explore water using different types of buckets? Can you fill the bucket? Could you find a container that holds the most water?
- Can you make shells and put numbers on them to 10. Can you put the right amount of jewels on the shell?

Other Activities

- Can you find out information about a ladybird? Seal? Whale? Could you draw them?
- Can you find out information about the life cycle of a ladybird?
- Could you hunt for ladybirds and other creatures in your garden? Maybe you could draw or photograph what you find!
- Can you create a seaside picture? What animals would you put on it? Could you use scissors to cut?
- Can you explore what sinks and floats?
- Can you make a seaside in a jar?
- Can you move like a dolphin? Can you complete the under the water yoga?
<https://www.youtube.com/watch?v=YR1OxBk8BF4>
- Can you make a boat that floats?
