GALS Research Workshop – Thursday 12th January @ Larks Hill

Dear Parents / Carers,

There will be a GALS workshop in which ----Year children have been selected to take part in.

GALS (Girls Active Leadership Squad) is a trust wide project across the year. The Girls and Sport Workshop focuses on battling stereotypical messages about sport, and the ways we can work to change these messages. This specific workshop will focus on the girls setting their project for the rest of the year to address some of the issues they learned about in their Girls and Sport Workshop. We will then regroup with the other GALS in the summer term for some events, including a feedback celebration event where they will prepare and deliver a short presentation about their project and the impact they have had this year. The workshop will take place in school time from (9:30am-11:30am). Students will be walked to and from the event and will be back in time for their lunch. For the event, students will be expected to be in usual Halfpenny Lane uniform so they can represent the school and show off their great ideas.

Please sign and return the permission slip below to Mr Wilkes if your child would like to take place in the project and workshop.

Yours sincerely,

Mr Wilkes

I give permission for my child, _____ to attend the GALS workshop – Thursday 12th January 2023 @ Larks Hill.
