

This is what your child will be learning in school. As always, we welcome your support and encourage you to talk and explore some of these with your child at home.

Reception – Term 3

Maths

In maths, we will be focusing on numbers 5 to 10. We will be comparing and combining two amounts. We will also be looking at shape, space and measure.

Ask your child to write numbers 1-10 in order. If they're feeling confident, practice numbers 1-20!

Please encourage your child to access Top Marks- this is a great website to consolidate learning!

www.topmarks.com

Communication and Language

This term, we will be talking about occupations and the jobs that our families do. We will also be exploring the season of winter and the celebration of Chinese New Year.

Can you pass on any information about your occupation to your child?

Physical development

Full kit is required **Thursday** for PE, where children will be learning skills of gymnastics! Children will continue to develop their fine motor skills through daily writing sessions.

Expressive arts and design

As artists, we will be looking at work by Da Vinci. We will be using technology to create our own artwork.

As inventors, we will be creating a moving picture using split pins. We will select an occupation, and will create a jointed figure using a template.

With your child, can you find a piece of artwork in the style of Da Vinci?

Understanding of the World

As historians, we will be exploring Amelia Earhart and the Wright Brothers.

As geographers, we will be comparing China and the UK.

I wonder who I will become...?

Homework

Reading- all children are expected to read/be read to 4 times a week and ensure it is recorded in their reading journal.

Learning task- Please continue to upload any images of your child completing their learning task to tapestry/dojo.

PSED

This term we look at different relationships. Please can your child bring a picture of their family into school.

English

In English, we will be looking at different stories, such as My Mummy is an Engineer, All Through the Night and David Attenborough. The children will be sequencing the stories, looking at non-fiction texts and writing letters, recounts and speech/thought bubbles.

When writing at home, please encourage your child to use their phonic knowledge and write the sounds they can hear in words.

This term, we will be reading...

- My Mummy is an Engineer- Kerrine Bryan
- All Through the Night- Polly Faber
- David Attenborough- Maria Isabel Sanchez Vegara

Use the QR codes on the weekly learning letters to read along with us!
