

This is what your child will be learning in school. As always, we welcome your support and encourage you to talk and explore some of these with your child at home.

PSHE

This term we will look at different relationships and how they might change over time.

Year 3 – Term 3

Maths

This term in maths, we are continuing our development of multiplication, division and length and perimeter.

Ask your child to show you a new piece of information they have learnt in Maths – can you solve their problem? We'd love to see – send us a picture on dojo!

Please encourage your child to access timetable Rockstar and sumdog – they are great programmes to reinforce learning. Their focus within lessons is the 3- and 4-times tables.

RE

This term we will be exploring different areas of Hinduism, Christianity and Islam.

Would love to hear if you are a part of a religion and how this reflects in your everyday life!

Science

This term in Science children will be learning about:

Forces including magnets.

Does your child know different forces (pushes and pulls) that they use every day?

English

This term in English we are reading:

**How to Train Your Dragon
By Cressida Cowell**

Our writing is linked to this book- we will be learning how to retell the story of a myth/legend and a newspaper report.

Please ask your child what our audience and purpose of these texts are.

Spelling, Grammar and punctuation is taught every day and is always linked in with our writing skills. This term our focus is: 3rd person pronouns, past tense, conjunctions and fronted adverbials.

How to Train Your Dragon

History

This term year 3 will be exploring the history of the Vikings. This will include looking at the lives of the Vikings and how they travelled.

Are there any facts you could pass on to your child that you know?

Geography

This term we will be looking at different biomes across the world and why each area may be different.

Over the coming weeks, encourage your child to look at what biome they live in and how they can identify it!

Art

With a focus on oil pastles and texturing this term, pupils will be creating their own dragon eye art based on the American artist, Aubrey Brown.

Are there any other mythical artists that you know of?

ICT

This half-term, pupils will be learning the skill of programming on SCRATCH to create a range of patterns and designs.

Have a go at home using SCRATCH – it's a free online programme.

Spanish

We will continue to learn numbers from 0 to 10 and also develop their verbal communication in conversation.

Can you say 0-10 in Spanish?

Music

This term in music we will be exploring music and looking at the skill of improvisation.

Are you able to improvise a beat/song on the spot?

PE

Full kit is required **Friday** for PE, where you will be learning the skills of basketball and dance – **parents, we would love to see your moves!**

Homework:

Reading - all students are expected to read 4 times a week and ensure it is recorded in planners.
Spellings, SPAG & Maths – all students are expected to complete this in their homework books.
