

This is what your child will be learning in school. As always, we welcome your support and encourage you to talk and explore some of these with your child at home.

### PSHE

To learn about healthy relationships and identify how people show love for each other and how to report concerns.

**Year 4 – Term 3**

### Maths

This term in maths, we are continuing our development of multiplication, division and area.

**Ask your child to show you a new piece of information they have learnt in Maths – can you solve their problem? We'd love to see – send us a picture on dojo!**

Please encourage your child to access timetable Rockstar and Sumdog – they are great programmes to reinforce learning.

### RE

We will develop our understanding of God and what Christians, Muslims, Jewish people and those with no faith believe.

**How many places of worship can you spot whilst you're out and about?**

### Science

This term in Science children will be learning about:  
**Forces**

**Does your child know how forces and friction are used in everyday life?**

### English

This term in English we are reading:

**How to Train Your Dragon**

*This book is available online if you want to read along with us!*

Our writing is linked to this book- we will be learning how to write a myth and a newspaper report.

**Please ask your child what our audience and purpose of these texts are.**

### DT

This term in DT we will be learning to cook with Classroom Kitchen!

**Why not join us for DT Inspire Mornings?**

**4S – 07/02/2023 – 9.15-10.15am**

**4H – 09/02/2023 - 9.15-10.15am**

## How to Train Your Dragon

### History

We will be exploring the exciting world of the Vikings: who they were, life as a Viking, the Anglo-Saxon justice system and their raids and invasions.

**What impact did the Viking have on England?**

### Geography

We will learn the key aspects of physical geography of vegetation belts: understanding what a biome is, where to locate them and explain what a vegetation belt is.

**What are the different biomes in the world? Can you spot them while watching TV?**

### Art

We will produce a final piece featuring an oil pastel dragon's eye and a paper collage to create scales.

**Are there any famous art pieces relating to a myth or legend?**

### ICT

This term, we are going to be using SCRATCH animation to create patterns.

**Have a go at home using SCRATCH – it's a free online programme.**

### Spanish

We will focus on developing our vocabulary to ask and answer questions relating to our family.

### Music

We will compose a piece of music using a simple score and understand what improvisation is.

**What is your favourite piece of music? Does it use improvisation?**

### PE

Full P.E. kit is required on Monday for 4H and Tuesday for 4S where you will be learning the skills of basketball and dance. Our swimming lessons on Thursday will continue.

### Homework:

**Reading** - all students are expected to read 4 times a week and ensure it is recorded in planners.

**Spellings, SPAG & Maths** – all students are expected to complete this in their homework books.
