

This is what your child will be learning in school. As always, we welcome your support and encourage you to talk and explore some of these with your child at home.

## Nursery – Term 1

### Maths

In maths we will be continuing to learn a variety of number rhymes. We will also be recognising numbers to 5 and simple shapes such as square, circle, rectangle, triangle and hexagon.

**Can you learn the rhyme 1,2,3,4,5 once I caught a fish alive?**

### Expressive arts and design

We will enjoy taking part in lots of creative activities. The children will use paint, clay, collage, ink and printing to create artwork based around Autumn and our families. We will also enjoy sing a variety of Nursery Rhymes and seasonal songs.

### Understanding the World

We will enjoy finding out about the Autumn season and the changes we can see. We will go on an Autumn walk and collect items to bring back to Nursery to make a beautiful collage. We will explore harvest time and learn harvest songs, bake bread and make our own pumpkin

### English

We will enjoy reading a variety of books about Autumn and our families this half term. The children will begin to be able to talk about the stories they enjoy using the pictures and props to help them.

We will be helping your child to begin to draw a picture of themselves. You could help you child to practise this at home once they are ready.

**Can you draw yourself?**

### Communication and Language

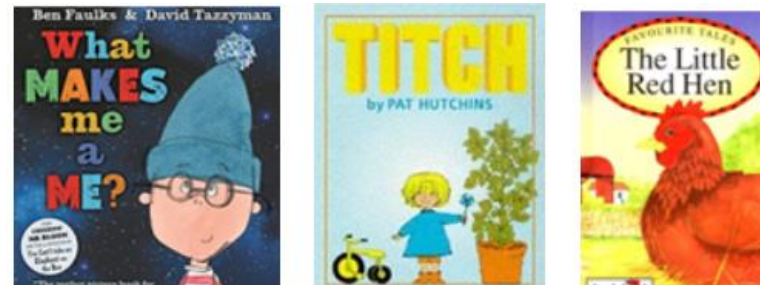

We will be learning these new words relating to our topics:

**Family**  
**Face**  
**Body**  
**Autumn**  
**Harvest**

## Question
