

This is what your child will be learning in school. As always, we welcome your support and encourage you to talk and explore some of these with your child at home.

Maths

This term in maths, we are focusing on place value and addition & subtraction.

Ask your child to show you a new piece of information they have learnt in Maths – can you solve their problem? We'd love to see – send us a picture on dojo!

Please encourage your child to access timetable Rockstar and Sumdog – they are great programmes to reinforce learning.

History

This term Year 6 will be exploring how space travel has developed since the mid 1950's to the modern day.

Are there any facts you could pass on to your child that you know?

Geography

This term we will be focusing on rocket launches and how the launch sites used are fit for purpose.

Why not try building your own rocket launch?

<https://www.bbc.co.uk/programmes/p01tbh>

PSHE

This term we look at respectful relationships, understanding how to explain discrimination and stereotypes and how these can be tackled.

RE

This term we will be exploring Christian and Islamic architecture.

Would love to hear your discussions from home!

Science

This term in science, children will be learning about: Earth and Space. Children will research the heliocentric model and explain how Earth's rotation cause night and day.

Cosmic

Art

Pupils will use different types of paint in a variety of ways to represent Space.

Can you identify different type of painting techniques?

Computing

This term we will be focusing on online safety in which inappropriate content can be reported.

Inappropriate behaviour/ content should be reported to services such as CEOPs or Childline.

PE

Full kit is required **Wednesday** for PE, where children will be learning the skills of gymnastics or football.

English

This term in English we are reading:

Cosmic

We will be writing a formal letter and character description. Our key vocabulary skills will include relative clauses, multi-clause sentences and using formal language.

Please ask your child what our audience and purpose of these texts are.

Spelling, Grammar and Punctuation is taught every day and is always linked in with our writing skills.

Spanish

Hola! This term we will be focusing on food and expressing our opinions on different food.

Music

Pupils will create their own composition and write using formal music notation.

Let us know your favourite type of music!

Homework:

Reading - all students are expected to read 4 times a week and ensure it is recorded in planners.

Reading and Maths – all students are expected to complete this in their homework books.
