## 1. Policy Statement

- 1.1 Pontefract Academies Trust has a mission to run top-quality, high achieving schools that give our children and young people the chance in life they deserve. Our vision is that every child and young person makes outstanding progress. Good behaviour is central to this vision and it is essential that each school manages behaviour well so they can provide calm, orderly, safe and supportive environments in which children and young people want to attend and can learn and thrive.
- 1.2 Being taught how to behave well and build positive relationships is vital for children to succeed personally and for them to successfully navigate the community they live in. Our schools use a range of actions and practices to achieve this, creating a positive culture. These include, but are not limited to:
- the curriculum,
  - student assessment and feedback,
  - tutor time,
  - assemblies,
  - student engagement/student voice,
  - extra-curricular enrichment,
  - pastoral support and guidance,
  - individualised adjustments and inclusion,
  - parental engagement, and
  - appropriate multi-agency working for those students with the most challenging needs.
- 1.3 The behaviour and relationships policy aims to ensure that Trust schools maintain the highest expectations whilst ensuring that all students are supported to meet them. We never apologise for having high standards in all that we do, and this includes student behaviour.
- 1.4 To support the Trust's expectations of behaviour it will:
- Encourage behaviour which supports the mission, vision and values of the Trust and its schools.
  - Recognise, reward and celebrate good behaviour.
  - Create environments where positive behaviours are more likely, by proactively supporting students to behave appropriately and addressing misbehaviour effectively.
  - Employ a fair and consistent behaviour management system that is recognised by students, parents/carers and staff.
  - To explicitly teach students what good behaviour looks like and provide additional support for some students to enable them to reach the expected standard of behaviour.

- 1.5 To assist with the achievement of that aim, the Trust has clear expectations of staff parents/carers and pupils/students.

### 1.5.1 The Trust's Expectations of Staff

- 1.5.2 All staff shall:

- Apply policy and procedures fairly and consistently.
- Teach and model expected behaviours and positive relationships, so that students can see examples of good habits and are confident to ask for help and support when needed.
- Constantly challenging students to meet the school's expectations and maintain the boundaries of appropriate conduct.
- Ensure that good student behaviours are recognised and praised.
- Considering the impact of their own behaviours on the school culture and how they can uphold the school's rules and expectations as a positive role model.

### 1.5.3 The Trust's Expectations of Parents/Carers

- 1.5.4 To support the school, parents will be encouraged to get to know the school's behaviour and relationships policy. Parents have an important role in supporting the school's policy and reinforcing it at home.
- 1.5.5 Parents have a responsibility to inform the school of any changes in circumstances that may affect their child's behaviour, to discuss any behavioural concerns with a key member of staff promptly and by attending review/reintegration meetings as required.
- 1.5.6 It is expected that parents/carers will be a positive role model for their child/children, knowing and supporting the school by ensuring that their child is ready to learn. They can do this by, making sure that their child:
- Arrives on time and prepared to learn.
  - Brings appropriate equipment such as PE kit, and any other necessary equipment, student planner, a suitable bag to carry books and any equipment needed during the school day.
  - Is aware of the need to be polite, courteous, respectful to everyone on the school site, forging positive, supportive and respectful relationships with all staff. (See [parent code of conduct](#) policy).
  - Is encouraged to want to learn and to meet high expectations.

- Wears the school uniform correctly. See the school's uniform policy for further details.
- Avoid bringing any mobile device into school however if this is necessary via prior arrangement, ensure they have been switched off at the school gate. These must be then be handed to the school office at the start of the school day.
- Ensure students complete school work to a high standard, including homework.

### 1.5.5 The Trust's Expectations of Primary Students

1.5.6 Students are responsible for being excellent ambassadors of themselves, who learn from their mistakes and demonstrate outstanding behaviour which exemplifies the Trust's learning expectations and values.

1.5.7 To support this, all students will have a clear induction process that familiarises them with behaviour expectations. This induction will be repeated at the start of each academic year.

1.5.8 The Trust believes in doing common things uncommonly well. To ensure consistent application of its behaviour standards, it is expected that students will:

#### **A. Be prepared - ready to learn**

- Have the right equipment out ready.
- Go straight to the classroom after breaks/lunchtimes or any activity outside of the usual classroom

- Do homework well.

1.9 Procedural advice and/or guidance may be sought from the Education and Standards Committee prior to approval of the supporting Procedural Instructions where this is deemed necessary by the ELT.

1.10 This allows for an equitable balance of strategic direction and oversight for Trustees, whilst ensuring that the Trust is in a position to proactively and reactively review, respond to and update operational processes in a timely manner, drawing upon the professional knowledge and expertise within the Central Team and within its schools.
