

This is what your child will be learning in school. As always, we welcome your support and encourage you to talk and explore some of these with your child at home.

Maths

In maths we will be continuing to learn a variety of number rhymes and learning to count sets of objects. We will be recognising numbers to 5 and simple shapes such as square, circle, rectangle, triangle and hexagon.

Can you learn the rhyme 5 Little Ducks?

Expressive arts and design

We will enjoy taking part in lots of creative activities. The children will use paint, clay, collage, ink and printing to create artwork based around Winter and people who help us. We will also enjoy singing a variety of rhymes and seasonal songs.

Understanding the World

We will enjoy finding out about the Winter season and the weather we can see. We will explore ice and melting. The children will learn about other parts of the world where the weather is freezing such as the Arctic and Antarctic and the animals that live there.

Communication and Language

We will be learning these new words relating to our topics:

Ice
Melt
Freeze
Flood
Emergency

Physical development

The children will be learning to become more independent in their own self-care. Washing their own hands and putting on their own coat, wellies and shoes with help when needed.

Can you learn to put on your own coat, shoes, hat and gloves?

Question

I wonder who I will become?

This term, we will be reading...

PSED

This half term we will be talking about people who help us. The children will learn about helping each other too.

English

We will enjoy reading a variety of books about Winter and people who help us this half term. The children will begin to be able to talk about the stories they enjoy using the pictures and props to help them.

We will be continuing to help your children to begin to write their own name. You could help you child to practise this at home once they are ready.

Can you write your name?

Key dates and events
