

Maths

This term in maths, we are learning money and multiplication and division, alongside recapping prior skills taught in the previous terms.

Ask your child to show you a new piece of information they have learnt in Maths – can you solve their problem? We'd love to see – send us a picture on Dojo!

Please encourage your child to access TT Rockstars they are great programmes to reinforce learning.

History

This term, Year 2 will be comparing similarities and differences between technology in the past and present.

Has technology changed our lives for the better?

Geography

This term, we will be understanding the difference between human and physical features using aerial photography.

What are the physical and human features of Pontefract compared to others?

DT

This term, pupils will be exploring methods of production and understanding materials and their properties.

How and why do engineers strengthen structures?

PSHE

This term, we will recognise the risks and harmful content of the Internet and understand how to stay safe online.

Can the internet hurt you?

RE

This term we will be understanding religious practices, retelling the Easter story and its importance.

How and why do we celebrate special times?

Science

This term, in science, we will be identifying everyday materials, distinguishing between objects and the material which it is made from.

What is the best material to create a floating mode of transport?

Rosie Revere, Engineer!

Art

This term, we will be using clay to sculpt animals inspired by two artists.

How can I create a clay sculpture of an animal inspired by local artists Henry Moor and Barbara Hepworth?

Computing

This term, we will be learning how to create and edit a document using PowerPoint.

How can I create a document?

PE

Full kit is required **Monday** for PE, where we will be learning about dance and working on our sending and receiving skills.

This is what your child will be learning in school. As always, we welcome your support and encourage you to talk and explore some of these with your child at home.

English

This term in English we are reading:

Rosie Revere, Engineer

These books are available online (YouTube), if you want to read along with us!

Our writing is linked to these books - we will be learning about letters and narratives.

Please ask your child what our audience and purpose of these texts are.

Spelling, grammar and punctuation is taught every day and is always linked in with our writing skills.

Music

This term in music, we will be composing percussive rhythms to the song 'Let's sing together' and recording our performance.

How does technology impact the role of a musician?

Homework:

Reading - all children are expected to read 4 times a week and ensure it is recorded in planners.

English & Maths – all children are expected to complete this in their homework books and hand in every Monday.

Spellings – Spellings will be tested each Friday.
