

This is what your child will be learning in school. As always, we welcome your support and encourage you to talk and explore some of these with your child at home.

## Year 3 – Half Term 5

### Spanish

¡Hola! Pupils will be learning to understand and say the name of 8 colours in Spanish.

### Maths

This term, in maths, we will continue to explore mass and capacity and then develop our knowledge of fractions before studying money and time.

**Can your child use an analogue clock to tell the time?**

### RE

Pupils will explore how religion can be used to teach us morality: what is right or wrong.

**What different Bible stories can you think of?**

### Science

Children will understand and explain how sound is produced and how the human body is designed to hear sound.

**What different sounds can you hear on your way to school?**

### English

This term, we are reading:

***Secrets of a Sun King*** by Emma Carroll.

This term, we will start by writing a formal letter, persuading Mr Shuttleworth to make our school more eco-friendly. Then, we will be using our knowledge to create our own poems. Spelling, Grammar and Punctuation is taught daily and will focus on using tenses and sentence types.

### DT

Pupils will use the principles of a healthy and varied diet to create an Egyptian meal.

**What makes a meal healthy?**

### History

Children will explore what life was like in Ancient Egypt for children, enslaved people and Pharaohs, with a focus on Tutankhamun.

**What do you already know about Egypt?**

## Secrets of a Sun King

### Art

Pupils will create their own portrait inspired by Egyptian art.

**Can you find any images of Ancient Egyptian art?**

### Computing

Pupils will learn to create code and use it to make predictions.

**Where do you think you will use code in your everyday life?**

### PSHE

Pupils will understand how to stay safe: in the sun, in the community, in the household and in water.

**How do we stay safe?**

### Music

Pupils will improvise accurately with the song, 'I Like To Move It', focusing on melodic lines and accuracy.

**What makes a good song?**

### Geography

Children will locate South America on a map, explore human and physical geography and understand the biomes, climate zones and vegetation there.

**What do we already know about South America?**

### PE

In PE, pupils will be developing cricket and athletics skills.

**Children should wear their PE kit on a Tuesday morning and bring their uniform to change into.**

### Homework:

**Reading** - all pupils are expected to read 4 times a week and ensure it is recorded in reading records.

**English & Maths** – all students are expected to complete this in their homework books and hand in every Monday.

**Spellings**- 10 words per week (Friday test)
