

# Special Educational Needs and Disabilities Information Report 2024 / 2025

## Summary:

The Special Educational Needs and Disability Regulations 2014 require each school to publish information regarding the provision for pupils with special educational needs or disabilities. We hope parents of current and prospective pupils find the following information helpful and we encourage all interested parties to contact the school for more information should this be required.

Author	SENDCo's				
Applies to: (please check as appropriate)	Staff <input checked="" type="checkbox"/>	Pupil <input checked="" type="checkbox"/>	Community <input checked="" type="checkbox"/>		
Available on:	Compliance Library <input type="checkbox"/>	Website <input checked="" type="checkbox"/>			
Date of Approval:	September 2024				
Date of Next Formal Review: (ensure this is aligned to committee meeting dates)	September 2025				
Review Period:	Annual

6. Specialist Support .....	7
7. Support for Parents.....	8
8. Admissions and Transition .....	9
APPENDIX A .....	10

## **1. Special Educational Needs Provision**

We aim to provide for children under all four areas of need as identified by the Code of Practice.

- Cognition and Learning, for example, dyslexia and dyspraxia
- Communication and interaction for example, autistic spectrum disorder, speech and language
- Emotional and Mental Health, for example, attention deficit hyperactivity disorder (ADHD)
- Sensory and Physical, for example, visual impairments, hearing impairments, processing difficulties

Please see **Appendix A** for how these needs are met.

The leadership of our school works with other leaders in our Trust to support all staff to personalise the provision for children with SEND through regular training opportunities and keeping up to date with relevant practices. We provide support and interventions for a range of SEN needs.

These include:

- Reading and phonics interventions
- Handwriting
- Fine / Gross motor skills
- Social skills
- Emotional and pastoral support
- Literacy & Mathematics Learning interventions
- Speech and Language Therapy

## **2. Identification**

**We identify and assess pupils with SEN using the following methods:**

Every school in Pontefract Academies Trust has the highest of ambition for all pupils including those with special educational needs and disabilities. The attainment, progress and wellbeing of all the children are reviewed every term. The decision to proceed with extra support for children is based on a variety of factors;

- Liaison with the SENCo, class teachers, pastoral support and SLT
- Observations by class teachers and other members of staff
- Assessments
- Pupil progress tracking
- Conversations with staff
- Parental concerns
- Identification through external agencies (Social services, Health care, OT)

We will assess each pupil's current skills and levels of attainment on entry, which will build on previous settings and Key Stages, where appropriate. Class teachers will make regular assessments of progress for all pupils and identify those whose progress:

- Is significantly slower than that of their peers starting from the same baseline

- Fails to match or better the child's previous rate of progress
- Fails to close the attainment gap between the child and their peers
- Widens the attainment gap

This may include progress in areas other than attainment, for example, social needs.

Slow progress and low attainment will not automatically mean a pupil is recorded as having SEN. When deciding whether special educational provision is required, we will start with the desired outcomes, including the expected progress and attainment, and the views and the wishes of the pupil and their parents. We will use this to determine the support that is needed and whether we can provide it by adapting our core offer, or whether something different or additional is needed.

Children may be placed on the Special Educational Needs (SEND) Register at different stages dependent on their need. They can move through or be removed from the register at any time based on their progress. The emphasis is on outcomes for children and the focus is on what is being offered from the school's own resources to respond to an identified need and to close the learning gap.

The class teacher will oversee, plan and work with children with SEND within their class to ensure progress is made within every area. The SENCo works closely with class teachers and the SLT to oversee the support and progress of every child. Learning Support Assistants, Student Liaison Officers or Learning Mentors may also work with a child in class, as part of a group, or individually where appropriate and directed.

With your consultation and involvement, your child will be given a One Page Profile. The One Page Profile, may if appropriate, include specific time measured targets. This is our way of setting and reviewing targets to help your child progress. If targets are continually not met, we may invite you in to discuss starting a 'My Support Plan'. It may be decided that external support and guidance is required from outside agencies. These will be consulted through the 'My Support Plan' with your involvement. In instances where little impact is made, despite all possible interventions and support, it may be required to proceed to an EHC (Education, Health and Care) plan. The progress of children with an EHCP is formally reviewed annually.

### **We evaluate the effectiveness of our SEN provision in the following ways:**

Schools are required to identify school support as 'Waves of Provision' – part of a graduated approach to meeting additional needs. Provision Mapping shows how the whole school plans and supports this graduated approach. This SEN support takes the form of a four-part cycle (assess, plan, do, review). Through this cycle, actions are reviewed and refined as understanding of a child's needs and the support required to help them secure good outcomes increases. This is known as the graduated approach.

Inclusive Quality First Teaching underpins all learning at Wave 1 (universal), which is for all children, including those with Special Educational Needs. Wave 2 provision (targeted) is 'additional to' and usually forms part of small group work interventions for some children. Wave 3 provision (specialist) is 'different from' where interventions are on an individual basis. Intervention provision is tracked through entry and exit data each term and pupil progress meetings take place between the Headteacher, Senior Leadership Teams, class teachers with consultation from the SENCo if required.

### **3. Review and Assessment**

**Our arrangements for assessing and reviewing the progress of pupils with SEN are as follows:**

Pupil progress meetings take place each term. The entry and exit data of all pupils are monitored through interventions and data is tracked termly.

For children with specific targets in place through a One Page Profile, My Support Plan and Education Health and Care Plans, targets are reviewed three times per year. Children who have an Education health Care Plan have an additional meeting in order to review long term targets in the form of an annual review.

### **4. Teaching and the Curriculum**

**Our approach to teaching pupils with SEN includes:**

The class teacher will oversee, plan and work with children with SEND within their class to ensure progress is made within every area. This is referred to as Quality First Teaching (QFT). The SENCo works closely with class teachers to oversee the support and progress of every child. Learning Support Assistants may also be deployed, as part of a group, or individually where appropriate. We aim to provide a fully inclusive environment, however where necessary, children will work outside of class on a 1:1 basis or as part of a small focus group to address specific targets and outcomes.

We work closely with outside agencies and implement any strategies given to us to aid the progress of your child. Please see **Appendix A** for how these approaches to teaching may differ to meet each individual need.

**We adapt the curriculum for pupils with SEN in the following ways:**

The curriculum is scaffolded and personalised to meet the needs of all of our children. Personalisation may occur by grouping (e.g. small group, 1:1, ability, peer partners); content of the lesson; teaching style; lesson format; pace of the lesson; provision of alternative recording methods (e.g. scribing, use of ICT, mind mapping, photographs, etc.); outcomes expected from individual children; materials used; support level provided; provision of alternative location for completion of work.

School always acts upon advice received from external agencies (e.g. enlarging of print for VI children; most advantageous positioning of HI children within the classroom and use of aids as recommended; use of laptops for children with recording needs; use of coloured overlays; use of brain breaks).

- We endeavour to ensure that all class rooms are dyslexia friendly including use of dyslexia-friendly dictionaries, word walls, prompt mats, highlighting pens and reading rulers, coloured interactive boards, individual resources, e.g. number lines, 100 squares, phonic prompts, alternative means of recording, modelled and shared writing opportunities.
- We endeavour to ensure that all class rooms are ASD friendly including, where needed, use of visual timetables, personalised timetables and prompt/sequence cards, quiet work stations, areas of retreat and pictorially labelled resources.
- We endeavour to ensure that all class rooms are speech and language friendly including use of visual feedback, 'chunking' of instructions, use of the 10 second rule to allow processing time and pre-teaching of key vocabulary. We commission the services of a SALT therapist (Maria Mearis) to work directly with children in our school and provide training, support and advice to staff. Areas are available in both key stages to provide quiet work areas for 1:1 or small group work.

**We enable pupils with SEN to engage in the activities of the school, together with children who do not have SEN, in the following ways:**

As part of our inclusive ethos, we ensure children are able to take part in all school activities both inside and outside of school grounds. Risk assessments are put in place where needed to ensure pupils are safe in sporting activities and on school trips. In addition to this, the following are offered to all of our children:

- all extra-curricular activities (listed on the school website)
- breakfast club
- a residential trip available to all children in Y6
- Structured Play at break time

## **5. Social, Emotional, Mental Health Support**

**The following emotional, mental and social support is available for pupils with SEN:**

We have a specialist staff member trained in Emotional Literacy and run a successful interventions which caters for both individual 1:1 sessions and group work.

We receive specialist advice from the Wakefield Inclusion Special Educational Needs & Disability Support Service Team (WISENDSS), Helen Roberts, for children with social communication/interaction difficulties, specialist advice from our Educational Psychologists, Dr Lucy Hatton and Elaine Cook, who provides expert advice from the Early Help Hub.

We also provide Structured Play for children with social communication/interaction difficulties.

## **6. Specialist Support**

**The name of our Inclusion Leader is: Carly Greatorex**

**The name of our SEN Co-ordinator (SENCo) is: Carly Greatorex**

Listed below are the names of staff members possessing expertise related to SEN:

Name: Becky-Jo Willoughby

Job role: Learning Mentor

Expertise: Emotional and Mental Health wellbeing, pastoral support, emotion regulation and communication intervention

In addition, we work closely in partnership with a variety of external agencies. These include:

- WISENDSS (Wakefield Inclusion Special Educational Needs and Disabilities Support Service)
- Educational Psychologist (EPS)
- The School Nurse
- Occupational Therapy (OT)
- Children's Therapy Services (Physiotherapy)

- Children and Adolescent Mental Health (CAMHS)
- SENART
- Early Help Hub

Parents are consulted before a child is referred to an outside service.

**In school we have access to the following specialist resources:**

We have a team of learning support assistants who are trained to deliver interventions such as:

- Zones of regulation
- Lego Therapy
- Colourful semantics
- Speech & Language

Further information on the interventions currently offered by the school can be found in **Appendix A**.

**We currently possess the following equipment and facilities to assist our pupils with SEN:**

Wheelchair accessibility is available throughout school and disabled toilet facilities are accessible within the building. We are able to provide specialist seating and physiotherapy equipment in consultation with the Children's Therapy services.

## **7. Support for Parents**

**Our arrangements for ensuring the involvement of parents of children with SEN are as follows:**

Parents are invited to meet with class teachers termly through parent consultation evenings and are consulted at the point that children are placed on the SEND Register. One Page Profiles and the review of these are written in consultation with parents and are reviewed termly in agreement with teachers, parents and children.

We hold an open-door policy and parents are invited to make appointments with class teachers or the SENCo as often as they feel necessary.

**Our arrangements regarding complaints from parents of pupils with SEN are as follows:**

Parents are invited to make appointments with class teachers and the SENCo as often as they feel necessary. If they decide to take this further, parents are advised to follow the Complaints Procedure and speak with the Headteacher and the School Performance Review Board (SPRB).

**We work with the following bodies to ensure the best possible provision for our pupils with SEN:**

We work closely in partnership with a variety of external agencies. The amount of provision provided depends on the needs of individual children, but can include the following:

- Planning meetings and consultation meetings are held termly, alongside WISENDSS (Wakefield Inclusion Special Educational Needs and Disabilities Support Service) and the Educational Psychology Service. Observations of children can be completed following the meetings and staff are supported with assessments and training. Reports are written and shared with relevant staff and parents
- Speech and Language Support (SaLT)

The speech and language therapy service will work with individual children and staff within school and

provide programmes of work to be completed throughout the year.

- Visual/ Hearing impairment support (SENSS)

Advisory teachers will attend meetings, write reports, observe children in class and provide advice and training for staff to ensure needs are met.

- The School Nurse

The school nurse is available to consult regarding any medical needs. They will write health care plans in consultation with school and advise on toileting protocols and risk assessments.

- Early Help Hub (EHH) & Children and Adult Mental Health Services (CAMHS) The lead practitioner consults with school to offer children and families support for a range of needs, including behaviour and emotional wellbeing support.
- Children's Therapy Service (OT and Physiotherapy)

School works closely with the hospital service to ensure staff are trained to deliver OT and Physio programmes provided.

**Parents of children with SEN may find the following support services helpful, in addition to the school's offerings:**

- Wakefield Early Support, Advice, Information and Liaison Service (WESAIL) – provide advice and support to parents. Contact number - 01924 379015
- Castleford Early Help Hub - offer a range of services for families and will intervene to help those who need support, at the earliest opportunity. Contact number - 01977 722223

## **8. Admissions and Transition**

**Our admission and transitional arrangements for pupils with SEN include:**

We understand the preparation that needs to go into every new transition; moving up a year group, changing Key Stage or moving schools. With new arrivals, we liaise with the previous school in order to prepare the support needed and home visits are available for new starters. Extra transition days are organised for class to class movement each year. Year 6 transition is discussed between class teachers and the SENCos and children attend various transition days.

We liaise closely with SENART (Wakefield's Special Educational Needs Assessment and Review Team), to read and consult over new Education, Health and Care Plan admissions. If we are able to meet your child's needs, we will outline what we are able to provide to support all areas of need, including medical needs.

We work closely with the WISENDSS team, who provide further transition support if needed.

Wakefield's local offer, explaining what is available on a local authority basis, can be found using the following link: <https://wakefield.mylalloffer.org>

## APPENDIX A

Area of Need	Wave 1 (Universal)	Wave 2 (Targeted)	Wave 3 (Specialist)
Cognition and Learning	<ul style="list-style-type: none"> <li>Inclusive Quality First Teaching</li> <li>Differentiated curriculum planning</li> <li>In-class TA support</li> <li>In-class targeted teacher support</li> <li>Increased visual aids / modelling etc.</li> <li>Visual timetables</li> <li>Use of writing frames</li> <li>Access to ICT to support learning and presentation</li> <li>Literacy/Vocabulary Mats across the curriculum</li> <li>Staff INSET</li> <li>PSHE Focus in lessons</li> <li>Parent Evenings</li> <li>Extra-curricular clubs</li> <li>Whole school reading</li> <li>Transition Process</li> </ul>	<ul style="list-style-type: none"> <li>Multi-sensory tasks consistently modified to take account of literacy or recording difficulties by Class Teacher, Small Group Work, HLTA, ELSA trained TAs</li> <li>Focussed strategies for groups/classes</li> <li>Catch up programmes – literacy and numeracy</li> <li>Precision teaching</li> <li>In class group support from TA</li> <li>ICT support for keyboard skills</li> </ul>	<ul style="list-style-type: none"> <li>Small group or 1:1 literacy/ numeracy support</li> <li>Exam Access Arrangements</li> <li>External Agency Support – Educational Psychologist, Specialist Teaching Services</li> </ul>
Communication and Interaction	<ul style="list-style-type: none"> <li>Inclusive Quality First Teaching</li> <li>Visual Support – check lists, literacy/vocabulary mats/books, aide memoirs, small white boards</li> <li>Structured school and classroom routines</li> <li>Visual timetables</li> <li>Differentiated curriculum delivery</li> <li>Differentiated outputs</li> <li>Certificates/postcards home</li> <li>Assemblies reinforcing school ethos</li> <li>School Council</li> <li>After school clubs – sporting, academic, creative and social</li> </ul>	<ul style="list-style-type: none"> <li>In class support with focus on supporting speech and language</li> <li>ICT</li> <li>Effective use of collaborative group work</li> <li>Groups chosen sensitively to take account of and include mixed abilities and strengths of personality.</li> <li>Multi-sensory activities to take account of Speech and Language /ASD associated difficulties</li> </ul>	<ul style="list-style-type: none"> <li>Individual work on: Narrative, Vocabulary Enhancement, Social Skills, Emotional Literacy, Anger Management, Self-Awareness, Memory, Literacy, Mathematics and Life-skills</li> <li>Multi-sensory activities to take account of Speech and Language /ASD associated difficulties</li> <li>Direct teaching to develop verbal and non-verbal communications</li> <li>Use of visual cues to support</li> </ul>

	<ul style="list-style-type: none"> <li>• Staff modelling and reinforcing appropriate behaviour</li> <li>• Social Stories</li> <li>• Whole school INSET with regular reinforcement for all staff</li> <li>• Awareness by all staff of particular needs</li> <li>• Transition Process</li> <li>• Liaise with parents</li> </ul>	<ul style="list-style-type: none"> <li>• Circle Time/PSHE, Speaking and Listening</li> <li>• Checking out understanding of text by encouraging children to re-tell/re-phrase story/text</li> <li>• Children with sensory perceptual differences seated in the best available defined area, i.e. away from distractions, at the front of the class, away from visual displays and windows.</li> <li>• Social skills groups</li> </ul>	<p>meaning – social stories</p> <ul style="list-style-type: none"> <li>• Speech and Language support / advice</li> <li>• Visual timetables</li> <li>• Use of ICT to record and support within the learning</li> <li>• Advice from outside agencies to develop programmes, strategies and approaches in collaboration with the school</li> <li>• Referral to Speech, Language and Communication Therapists, Educational Psychologist and to CAMHS</li> </ul>
Social, Emotional and Mental Health	<ul style="list-style-type: none"> <li>• Inclusive Quality First Teaching</li> <li>• Whole school and class reward systems promoting positive learning behaviour, reward points and certificates</li> <li>• Whole school/Class rules</li> <li>• Whole school policy for behaviour management with graduated response linked to Waves of Provision</li> <li>• Break supervision to help manage free/unstructured time</li> <li>• Assemblies</li> <li>• Transition Process</li> </ul>	<ul style="list-style-type: none"> <li>• Behaviour Policy</li> <li>• Temporary change of work location.
